*Region 2 Arts Council*

## *INTRODUCTION*

---

### Arts Learning Grant Application - 2020

**Maximum Award:** \$6,000 (*with a 20% cash match*)

**No Cash Match:** For Schools/Community Ed only; Maximum award \$3,000

**Deadline:** October 15, 2019 by 11:45 pm

**Review Date:** November 18, 2019

**Earliest Start Date:** December 18, 2019

### **Funding Source**

Region 2 Arts Council Arts Learning Grants are made possible by the voters of Minnesota thanks to a legislative appropriation from the Arts and Cultural Heritage Fund.

### **Eligible Proposals**

Arts Learning grants support high-quality arts education for Minnesotans of all ages to develop knowledge, skills, and understanding of the arts. Funds can be used for artists-in-residence programs, educational performances, educational arts field trips, registration and travel to an arts conference or seminar in MN, or to provide arts training or workshops. Eligible grant proposals must display a commitment to reaching wider audiences through providing new and/or expanded arts programming focused on arts learning to residents of Beltrami, Hubbard, Clearwater, Lake of the Woods, or Mahnommen counties, and/or by supporting arts learning through the project. Arts activities proposed for funding cannot serve students, faculty, or organization membership only but instead must be accessible by the public and display a strong community component. (*View Rubric*)

### **Eligible Organizations**

Organizations must be nonprofit and physically located within one of the five Region 2 Arts Council counties of Beltrami, Clearwater, Lake of the Woods, Mahnommen, or Hubbard. Eligible organizations include:

- schools (parochial schools are ineligible)
- community education programs\*
- institutions of higher learning (colleges or universities)
- non-profits providing arts programming
- local city, town, county government entities
- tribal government entities
- Groups without 501(c)3 nonprofit tax status are eligible to apply, but must be formed for non-profit purposes, must have the equivalent of a governing body similar to a board of directors or advisory council, and must use a Minnesota-based non-profit, tax-exempt 501(c)3 organization, or other tax exempt entity such as a school, institution of higher learning, or city, town, county, or tribal government as a fiscal sponsor.

*\*Based on Minnesota Statute 124D.19, Community Education Programs will be assumed to be operated by the school district and **will be subject to all grant guidelines that apply to schools.***

#### **Arts and Cultural Heritage Fund Use Requirements for Arts Learning Grants**

- To produce, present, and offer arts education programming and projects that provide new and/or expanded arts activity and are accessible to the public.
- To support arts education programming and projects that take place within the state of Minnesota.
- To support arts projects and programming for which measurable outcomes have been established, and a plan for evaluating the outcomes and results is in place.
- To supplement, but never substitute, for traditional sources of funding for arts education projects and programming, especially in schools/colleges/universities.
- To support only those arts learning projects and programming for which no expenses have been paid prior to the earliest start date.

***IMPORTANT:*** Any project or program for which project-specific expenses have been incurred and paid prior to the earliest start date is not eligible for funding from this grant. However, an arts project that exists within the context of or due to the existence of a larger project may be eligible for funding if it meets the Arts and Cultural Heritage Fund Use Requirements above and the Eligibility Requirements below.

For example, a series of arts workshops for which there are expenses that will have been paid prior to the earliest start date, such as paying ahead for publicity costs for the series or artist fees for one of the workshops, would render the series ***ineligible for funding*** from this grant program. However, one of the workshops within the series with its own goals, outcomes, audiences, and budget may be eligible for funding if it meets all funding and eligibility requirements. The workshop would be described in this grant application as an arts education

project or program, with its own budget, specific public audience, arts learning initiatives, and intended outcomes or impacts for the designated target audience.

In support of your proposal, you must provide digital samples of current artistic work (*work done within the last five years is preferred*) for the artist(s) you plan to commission a work of art from or plan to invite to teach, perform or present as part of the proposed arts project. These samples should help show the artistic quality you described above. Please follow the minimum/maximum requirements below depending on the arts discipline of your project and the number of artists or groups you are working with.

For an Individual Artist or a Performing Arts Group choose **one** of the following options:

- Visual or Craft Artists (2-D or 3-D) provide 5-10 work samples (.jpg)
- Literary Artists provide 5-10 pages of writing (.pdf) (*Please read our Literary Arts Policy*)
- Performing Artists or Musicians provide link(s) to 1-3 work samples of 2-4 minutes each via YouTube, Vimeo, SoundCloud, or DropBox. (*Please read our Film/Media/Television Policy if applicable*)
- Multimedia or Multidisciplinary Artists may provide a combination of linked and/or uploaded work samples as best suits the work, but cannot exceed 10 work samples. (*Each photo, each page of writing, each video or audio link equals one work sample.*)

For Multiple Artists or Performing Arts Groups choose **one** of the following options:

- Visual or Craft Artists provide 2-5 work samples (.jpg) per artist/group. If you have more than 5 artists working on this project, pick your top five with two work samples from each artist.
- Literary Artists provide 3-5 pages of writing (.pdf) per artist/group. If you have multiple literary artists, pick your top 3 and provide at least three pages of writing for each.
- Performing Artists or Musicians provide 1-3 links to work samples of 2-4 minutes each. If you have more than 3 performing artists or groups, pick your top three with one sample of each.
- Artists from Multiple Arts Disciplines may provide a combination of linked and/or uploaded work samples, but cannot exceed 10 work samples. If you are utilizing artists from multiple disciplines include samples from each arts discipline if possible. (*Each photo, each page of writing, each video or audio link equals one work sample.*)

To ensure a fair process, staff will remove any work samples beyond the maximum allowed. Any applicant that fails to submit the minimum number of work samples jeopardizes the

eligibility of their grant application. Questions? Consult the Work Sample Submission Policy or contact R2AC staff.
