Review Date: September 13, 2022

Approval Date: September 22, 2022

Earliest Start Date: October 10, 2022

Funding Source

Region 2 Arts Council Arts Access Grants are made possible by the voters of Minnesota thanks to a legislative appropriation from the Arts and Cultural Heritage Fund.

Eligible Organizations

Organizations must be nonprofit and physically located within one of the five Region 2 Arts Council counties of Beltrami, Clearwater, Lake of the Woods, Mahnommen, or Hubbard. Eligible organizations include:

- arts organizations
- schools (parochial schools are ineligible)
- community education programs**
- institutions of higher learning (colleges or universities)
- non-profits providing arts programming
- local city, town, county government entities
- tribal government entities
- arts affiliate to a 501(c)3 host organization or other non-profit entity (such as a school, institution of higher learning, or city, town, county, or tribal government entity)

- Groups without 501(c)3 nonprofit tax status are eligible to apply, but must be formed for non-profit purposes, must have the equivalent of a governing body similar to a board of directors or advisory council, and must use a Minnesota-based non-profit, tax-exempt 501(c)3 organization, or other tax exempt entity such as a school, institution of higher learning, or city, town, county, or tribal government as a fiscal sponsor.

**** Based on Minnesota Statute 124D.19, Community Education Programs will be assumed to be operated by the school district and *will be subject to all grant guidelines that apply to schools.***

Eligible Proposals

Arts Access grants support the creation, production, and presentation of high quality arts activities that help instill the arts into the community and public life in our region by removing barriers that audiences may have to accessing these activities. Eligible grant proposals must display a commitment to reaching wider audiences through providing new and/or expanded arts programming to residents of our region's counties, and/or by supporting accessibility initiatives through the project. These grants offer funding for a variety of arts projects and programming including costs associated with public art, arts festivals, engagement of guest artists, arts field trips, workshops, exhibitions, presentations, or performances that will benefit the residents of Beltrami, Hubbard, Clearwater, Lake of the Woods, or Mahnommen counties. Arts activities proposed for funding must be accessible by the public, displaying a strong community component.

Arts and Cultural Heritage Fund Use Requirements for Arts Access Grants

- To produce, present, and offer arts programming and projects that provide accessible, new and/or expanded arts activity.
- To support arts programming and projects that take place within the state of Minnesota.
- To support arts projects and programming for which measurable outcomes have been established, and a plan for evaluating the outcomes and results is in place.
- To supplement, but never substitute, for traditional sources of funding for arts projects and programming, especially in schools/colleges/universities.
- To support only those arts projects and programming for which no expenses have been paid prior to the earliest start date.

IMPORTANT: Any project or program for which project-specific expenses have been incurred and paid prior to the earliest start date is not eligible for funding from this grant. However, an arts project that exists within the context of or due to the existence of a larger project may be eligible for funding if it meets the Arts and Cultural Heritage Fund Use Requirements above and the Eligibility Requirements below.

For example, an entire theater production for which there are expenses specific to the production itself that will have been paid prior to the earliest start date would be ***ineligible for funding*** from this grant program. However, the development of a matinee performance, a subset of the theater production, with its own goals, outcomes, audiences, and budget may be eligible for funding if it meets all funding and eligibility requirements. The matinee performance or performance series would be described in this grant application as an arts project or program, with its own budget, specific public audience, accessibility initiatives, and intended outcomes or impacts for the designated target audience.

These samples should help show the artistic quality you described above. Please follow the minimum/maximum requirements below depending on the arts discipline of your project and the number of artists or groups you are working with.

For an Individual Artist or a Performing Arts Group choose **one** of the following options:

- Visual or Craft Artists (2-D or 3-D) provide 5-10 work samples (.jpg)

- Literary Artists provide 5-10 pages of writing (.pdf) (*Please read our Literary Arts Policy*)

- Multimedia or Multidisciplinary Artists may provide a combination of linked and/or uploaded work samples as best suits the work, but cannot exceed 10 work samples. (*Each photo, each page of writing, each video or audio link equals one work sample.*)

For Multiple Artists or Performing Arts Groups choose **one** of the following options:

- Visual or Craft Artists provide 2-5 work samples (.jpg) per artist/group. If you have more than 5 artists working on this project, pick your top five with two work samples from each artist.

- Performing Artists or Musicians provide 1-3 links to work samples of 2-4 minutes each. If you have more than 3 performing artists or groups, pick your top three with one sample of each.
- Artists from Multiple Arts Disciplines may provide a combination of linked and/or uploaded work samples, but cannot exceed 10 work samples. If you are utilizing artists from multiple disciplines include samples from each arts discipline if possible. (*Each photo, each page of writing, each video or audio link equals one work sample.*)

To ensure a fair process, staff will remove any work samples beyond the maximum allowed. Any applicant that fails to submit the minimum number of work samples jeopardizes the eligibility of their grant application. Questions? Consult the Work Sample Submission Policy or contact R2AC staff.
